INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. § 1.97, Applicant hereby calls the Examiner's attention to the document listed on the attached form, which documents may be material to the examination of this application. This document is U.S. published application no. 2005/0033282 which corresponds to applicant's co-pending application Serial no. 10/927,745, filed August 27, 2004, which application is a continuation of the present application.

No inference should be drawn that any apparatus or method disclosed is equivalent to the subject invention. Also, the citation of the above-discussed document is not to be construed as an assertion that more pertinent art could not possibly be in

existence. Citation of the document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of the document discussed herein, that may be cited by the Examiner in rejecting a claim in the present patent application.

This Information Disclosure Statement is being filed after the mailing date of a first Office Action on the merits but before a final action or an action that closes prosecution. Accordingly, pursuant to 37 C.F.R. § 1.97(c), a fee under § 1.17(p) is enclosed with the filing of this information disclosure statement.

Date: May 24, 2005

Respectfully submitted,
